

Managing Director
Dhaka Electric Supply Company Limited

Message

DESCO is the leading Power Distribution Company in Bangladesh and excels in all performance parameters set by Power Division. It has been possible due to the dedicated services of the well trained employees. Capacity buildup and professional improvement of employees need continuous pursue of knowledge. Keeping these in minds DESCO has planned training programs to enhance technical and managerial knowledge and skill of the employees. The main focus of this training is to develop employees by providing need based training and buildup confidence.

DESCO has successfully achieved the target of giving 70 man-hours training for each employee in the FY 2016-2017 and committed to continue and maintain the same in the FY 2017-2018. Out-house training programs both have at home & abroad have also been created for DESCO employees.

I am happy to say that a well planned training calendar has been prepared for the year 2017-2018 covering training requirement for employees of every level. I wish every success of the training program and its execution.

Brig. General Md. Shahid Sarwar, ndc, psc (Rtd.)
